

# New Board Member(s)

## **Announcement and Description**

Civic Thread, formerly WALKSacramento seeks an enthusiastic board member to grow the impact of a small and effective organization. This position is ideal for a mid to senior level professional who is passionate about active transportation, community-based planning, healthy equity, and community empowerment.

## **About Civic Thread**

Civic Thread, formerly WALKSacramento, is a nonprofit organization dedicated to improving health equity in the built environment by elevating institutionally underserved voices and priorities to co-create communities, neighborhoods, and places where everyone can thrive.

Civic Thread partners with community-based organizations, residents and local, regional, and state agencies to achieve health, equity, environmental justice, and mobility goals through strategies involving Safe Routes to School, community-based planning, strategic marketing and outreach, and technical assistance.

Civic Thread has managed Safe Routes to School programs at over 100 schools across the 6-county region and helped secure several million dollars in transportation funding through the State's Active Transportation Program. As planning and design consultants, we implement effective engagement strategies and identify creative bicycle/pedestrian solutions. As policy advocates, we work at the local and regional levels to inform and adopt smart growth and environmental justice supportive policies. We also work with developers and land use planners to ensure developments are supportive of healthy walkable, bikeable, and transit-friendly communities.

## **Board Member Responsibilities and Expectations**

### **Engage Meaningfully:**
